

PATRICE MUZONDA, CFE

Senior Business Consultant | Internal Audit Manager | SOX | Risk & Controls

Warsaw, Poland | +48 797 558 389 | patricemuzonda@gmail.com | LinkedIn

Professional Summary

Internal Audit leader with over eight years of experience delivering risk-based audits, SOX programs, and regulatory engagements across multinational financial institutions and Big Four consulting. Skilled in planning, supervising, and executing audits that evaluate internal controls, financial reporting, and operational effectiveness. Proven ability to coach and develop audit teams, manage performance, and drive high-quality deliverables in line with professional standards. Strong analytical mindset, attention to detail, and critical-thinking skills that support a culture of trust, collaboration, and accountability. Certified in internal controls, fraud examination, data analytics, and SOX testing with ongoing CISA studies to strengthen IT audit capabilities. Experienced in partnering with senior leadership, communicating audit results, and contributing to continuous improvement.
